Good day James,

Following the waiver request hearing on September 24, 2025 and with the receipt of an updated final application and title paperwork on October 20, 2025, Alamosa County now considers as complete your final application for a 1041 permit to construct and operate a 3.9 MW solar PV generation facility on parcel 541502300147.

Therefore, pursuant to Alamosa County's adopted 1041 Regulations and CRS 24-65.1-101 *et seq.*, this letter is to notify you that a Public Hearing has been scheduled during the Regular Meeting of the Board of County Commissioners on Friday, December 19, 2025, beginning at 8:30 am.

We suggest in person attendance from at least some of your team, and you can also have team members Join Zoom Meeting <https://zoom.us/j/2703146874> or call in 253-215-8782 or 669-900-6833 and use Meeting ID 270 314 6874.

I am working with our third-party reviewers at Logan Simpson to provide you with comments on the final version of your application and expect to have those to you by December 1.

Sincerely,

Richard Hubler,
